At Tropical Park, located at 7900 S.W. 40th Street (Bird Road)

Students will receive a letter certifying community service hours for their participation.

Where do our proceeds go?

Liga Contra el Cancer (League Against Cancer) founded in Miami in 1975 as a community based, not-for-profit organization providing free medical care to needy cancer patients.

More than 350 South Florida physicians, who are board-certified in their specialties, volunteer their services to La Liga.

The dedication and support of volunteer physicians, and on-going assistance of volunteers maintain administrative costs at about 12% of operational budgets.

La Liga is the last resort for cancer victims who have no financial resources or health insurance. Since 1975, more than 57,000 low-income, uninsured men, women and children have received world-class medical treatment, screenings, guidance and support from La Liga, which represents a very significant economic savings to the State of Florida.

Mission Statement:

To provide free medical care to needy cancer patients without regards to race, creed or national origin provided that they have established legal residence in the State of Florida.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 509(a)(2).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. Also, you should inform us of all changes in your name or address.

Generally, you are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. If you have paid FICA taxes without filing the waiver, you should contact us. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

The box checked in the heading of this letter shows whether you must file Form 990, Return of Organization Exempt from Income tax. If Yes is checked, you are required to file Form 990 only if your gross receipts each year are normally more than \$10,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees.

If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Charles E. DeWitt

District Director

cc: Mario Vuksanovic, M. D.

This determination letter supersedes our letter of December 8, 1977, holding that you do not qualify for exemption under section 501(c)(3) of the Code.
